

Agatech Privacy Policy

Last Updated: October 21, 2023

Introduction

Welcome to Agatech, a comprehensive blockchain-based ecosystem. Your privacy is of utmost importance to us. This Privacy Policy outlines how we collect, use, disclose, and safeguard your information when you visit our website, use our services, or interact with our platform.

By using our services, you consent to the data practices described in this policy. If you do not agree with the terms outlined in this Privacy Policy, please do not access the site.

Information We Collect

Personal Data

Identifiable Information: Such as name, email address, and contact details.

Financial Information: Including but not limited to cryptocurrency wallet addresses, transaction history, and trading activity.

Non-Personal Data

Usage Data: Information collected automatically when using our services, such as IP addresses, browser type, and other statistics.

Cookies: Small files stored on your device to enhance user experience.

How We Use Your Information

To Provide Services: Your data helps us offer you our various blockchain services.

To Improve User Experience: We analyze usage data to understand how our services are used and how to improve them.

For Marketing: To send you updates, promotional materials, and other information that may be of interest to you.

For Compliance: To comply with legal obligations and to protect against legal liability.

Disclosure of Your Information

We may share your information in the following situations:

With Service Providers: We may share your information with third-party vendors who perform services for us.

For Business Transfers: In connection with, or during negotiations of, any merger, sale of company assets, financing, or acquisition of all or a portion of our business to another company.

For Legal Requirements: To comply with any court order, law, or legal process, including responding to any government or regulatory request.

Security Measures

We implement a variety of security measures to maintain the safety of your personal information, including encryption and authentication tools.

Third-Party Websites

Our website may contain links to third-party websites. We are not responsible for the privacy practices or the content of third-party sites.

Children's Privacy

Our services are not intended for use by individuals under the age of 18.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.
